- 03** Agenda

ibi Summit Roadshow: New York, NY

We are so excited to take Summit to New York this October in the fourth stop on our ibi Summit Roadshow Series that brings innovation, insight, and networking opportunities directly to you. Included here you will find information on registration, the Expert Room, the day-of Agenda, and ibi team members present at the event.

Registration

Registration is now live at ibi.com/events. Save your seat at Summit New York today as spaces are limited and registration closes on October 1st. After registering, you can expect to receive a registration confirmation email. You will be asked to confirm your registration in the weeks leading up to the event, at which time you will receive information on the venue in downtown New York. Access to the event is complimentary.

Expert Room

Our Expert Room will be open from 8am - 4.30pm EDT during the event. If you would like to book time in advance with an expert, please email Shay Bagwell directly at shay.bagwell@cloud.com. Booking a meeting in advance is not a requirement. Feel free to drop by the Expert Room on the day with your laptop and questions regarding your deployment.

Break

10.30 AM - 11.30 AM EDT | Special Customer Panel

Real World ibi Customers Tell it as it is

In this interactive session, our valued customers take center stage to share their experiences, challenges, and successes. This panel offers a unique opportunity to hear directly from the people who use our products/ services every day.

Session led by: Porter Thorndike

11.30 AM - 12.30 PM EDT | Hands on Lab

App Studio Today, Designer Tomorrow

Have you been a long time App Studio user but you're curious about all that WebFOCUS Designer has to offer? Join this session to learn how Designer allows you to do everything you love doing in App Studio more effectively and efficiently with top-notch visuals. Learn how to take inspiration from your App Studio builds and build better in Designer. Bring your laptop for this session to follow along.

Session led by: Alex Homer

12.30 PM - 1.30 PM EDT | Lunch & Networking "Birds of a Feather"

Agenda

1.30 PM - 2.15 PM EDT | Breakout Session

Get to a Better Analytics Endgame Faster with ibi WebFOCUS 9.3

Coupling unmatched scalability with AI driven data insights and a seamless user experience, WebFOCUS 9.3 delivers a series of powerful new features and functionality that make life easier for business users and creators alike. Join this hands-on lab to explore all that's new with WebFOCUS 9.3 across WebFOCUS Designer.

Session led by: Angie Hildack and Dave Pfeiffer

2.15 PM - 3.00 PM EDT | Breakout Session

You had me at AI: How to Make WebFOCUS Designer Sing and Dance

The series of WebFOCUS 9 releases have been packed with new features in the world of WebFOCUS Designer. Want to learn how to use these features + our new AI and ML functionality to their full potential? Bring your laptop and your questions for this session

Session led by: Porter Thorndike

Break

3.15 PM - 4.00 PM EDT | Hands on Lab

Geospatial Analytics with WebFOCUS

Dive into the world of geospatial analysis in this interactive hands-on lab using WebFOCUS. This session is designed to equip participants with the skills and knowledge to harness the full potential of geospatial data within the WebFOCUS platform. You'll learn how to integrate and visualize location-based data, create insightful maps, and perform spatial analysis to uncover patterns and trends

Session led by: Alex Homer

4.00 PM - 4.45 PM EDT | Breakout Session

Enhancing ReportCaster

ReportCaster scheduling and distribution have been central to WebFOCUS for years. With the release of WF 9.3, a new user interface brings enhanced functionality. Join this session to experience the new features and functionalities of ReportCaster.

Session led by: Angie Hildack

4.45 PM - 5.00 PM EDT | Breakout Session & Closing Remarks

ibi Roundtable Discussion

Join this final Breakout Session of the day for a Roundtable Discussion. Bring your questions in hand as we part ways for the day.

Roundtable discussion led by Dan Ortolani with the ibi team.

**Expert Room: 8am-4:30pm*
